Gamer Storm PK750D power supply unit 550 W 20+4 pin ATX ATX Black

Model: R-PK750D-FA0B-JGEU

Manufacturer: DEEPCOOL

EAN: 6933412740483

Product Code: 1744575

R1,910

Beautiful in Bronze

The PK-D series is certified 80 PLUS Bronze, delivering up to 85% efficiency under typical load minimizing excess heat waste and lowering energy costs.

DC-DC Conversion

A highly efficient DC-DC board designed for the +3.3V and +5V rails help achieve tighter voltage regulation and improve system compatibility for next-generation components.

Tough and Durable

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

Designed to operate effortlessly in high temperatures up to 40°C and high altitudes up to 5000m while providing continuous stable power output.

ErP Lot 6 Compliant

Designed to be highly power efficient when in power standby mode to meet international ErP Lot 6 standards to lower overall energy consumption.

Stealth Black

Black direct power cables help blend in with other components.
