The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Integrated microphone and call button

With the integrated microphone and call button you can use this Philips headset for music as well as calls from your mobile phone. Enjoy hands-free calling, while easily accepting and ending calls from your headset.

Perfect in-ear seal blocks out external noise

The Super-small speaker drivers of these Philips earphones fit comfortably inside the ear, and thanks to the exceptionally snug fit the outside noise is sealed out for a high-intensity listening experience.

A 1.2 m long cable that is ideal for outdoor use

The ideal cable length to give you the freedom to put your audio device where you want.

Rubberised cable relief enhances durability

To extend product life, soft rubber between headphones and cable protects cable connection from damage through repeated bending.
