The TECHly 364101 universal AV stand is designed for use with LCD and curved LCD displays ranging from 32" to 55". Constructed from durable steel and featuring a tempered glass surface, this stand combines functionality with a modern aesthetic, making it a valuable addition to any desktop setup. It includes an integrated cable management system to keep cables tidy and organized, ensuring a clean look without the hassle of cluttered wires.

Versatility is a key aspect of this stand, as it allows for a swivel range of -35° to 35°, enhancing viewing angles for a comfortable experience. The powder-coated finish provides additional durability and style, while the flat panel mount interface accommodates a variety of display sizes, supporting a maximum load weight of 40 kg. This makes the TECHly AV stand suitable for both home and office environments, catering to various display mounting needs.
