14.5 x 250ml plastic bottles were transformed into PET polyester yarn to create the EQ 14 Laptop Backpack - a value-for-money, modern and comfortable backpack accommodating laptops up to 14. Made of 42% post-consumer recycled (PCR) polyester, it includes a padded compartment for the laptop, a zippered front compartment for easy access to peripherals together with a side pocket for a water bottle or an umbrella. Padded shoulder straps and a cushioned backside with breathable mesh fabric combine to deliver comfortable support for your back, neck and shoulders. Includes a 2-year limited warranty.
