Robust, compact and easy to handle: with the Bosch accessory set in the handy carrying case, you've got a handle on everything. The X-Line series from Bosch offers a first-class basic set of top-quality accessories: clearly laid out and always ready for use.

The metal drill bits with titanium nitride coating excel through their long lifetime and high strength, allowing fast, clean drilling in the most diverse of metals, plexiglass and hard plastics (not suitable for use in aluminium).

Standard wood drill bits and titanium-nitride-coated spade bits for increased cutting speeds and drilling clean, precise holes in wood.
Screwdriver bits for all standard screw head types and nutsetter for key-headed screws.
Robust plastic case with clearly arranged content layout; can also be refilled if necessary.
Suitable for all power tool brands.
