Your new iPhone is ultra-modern, clean, and show-worthy. It’s more than a device—it says a lot about you. So protect it without eclipsing its beauty. The Crystal Palace Snap elegantly stands up to the task, balancing clarity with exceptional strength. This case covers every detail so you can focus on enjoying the phone you love. It starts with an incredible 13 feet of drop protection engineered into the case’s structure, incorporating ultra-resilient graphene that reinforces without adding bulk. And we’ve added a kickstand that stands strong in portrait and landscape mode. The Crystal Palace Snap’s anti-yellowing technology and anti-scratch finish keep your case (and phone) looking pristine, and of course, it’s built MagSafe compatible and works flawlessly with wireless chargers. It’s the perfect sidekick—fitting in seamlessly while handling the heavy lifting.
