The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Get the most out of every space with Samsung QB24C-T small digital signage. The compact display provides sharp messaging with its Full HD resolution. Its enhanced internal solutions and intuitive home screen UX make it easy to use, also ensuring reliable performance for any business use.

Fast, effective touch capabilities

10 point multi-touch

The QB24C-T provides 10-point multi-touch, while fast response time powers an intuitive interface that allows customer-driven search and action, creating new customer interactions that drive purchases.

Connect with convenience

Home UI

QB24C-T boasts greater usability with an upgraded home screen UI. Popular categories like Features, Sources and Settings are displayed on the same screen for convenient availability. The Favorites folder grants users quick, easy access to frequently used features in a single click.

Convenient, clean display control

Center IR

With center IR, each display receives IR signals directly to the panel, allowing easy and convenient remote control. When mounted, the display doesn't require an IR receiver cable extension. Built-in Wi-Fi allows wireless remote management for both content and display.

Safe operation, reliable performance

IP5X / EMC Class B

QB24C-T is electromagnetic compatibility (EMC) class B compliant, meeting strict safety and reliability standards for operation. Additionally, the display's IP5x rating underscores its robust durability even in dusty environments.
