For your kitchen and your ideal coffee, the 1381 coffee machine is your ally to indulge in an intense break with taste and elegance. The slim and compact design makes it unique for every kitchen: only 14 cm in width that adapt to any corner of the kitchen, without sacrificing space for other appliances.For short moments of pause, prepare a coffee with an intense flavor thanks to the 15 pressure bars to obtain a perfect delivery of both the ground coffee and the pod, but also for a rich breakfast to which you can add a creamy cappuccino thanks to the Maxi-Cappuccino device. Choose your drink and adjust the height of the drip tray according to the cup you prefer.Thanks to the pressure gauge you will always be able to understand if the parameters of water, quantity of coffee and degree of grinding are in equilibrium and balanced with each other to always guarantee you the best possible espresso.For those who love delicate flavors, the 1381 machine has a hot water dispenser to prepare teas, infusions and herbal teas of your favorite flavors.
