

ASUS NUC 14 Essential Fanless RNUC14MLK2500002 Black N250 BGA 1264

Model: 90AR00X2-M00040

Manufacturer: ASUS

EAN: 4711636718684

Product Code: 1745663

R8,647

Fanless Archictecture

Designed for business and commercial environments, the fanless cooling architecture helps support long-term reliability by reducing dust intake and minimizing component downtime with a no-moving-parts design.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
