The Tornado TCM-9008A-GS is a compact, fully automatic coffee machine that brings professional-grade brewing into your kitchen or workspace. With a high-pressure 20-bar system and NTC temperature control, it delivers rich, aromatic espresso and milk-based drinks in under 130 seconds. Featuring an integrated conical burr grinder with 15 grind settings, this machine gives you full control over flavor and bean freshness. The built-in steam wand allows you to froth milk to your preference, ideal for cappuccinos and lattes.

Its sleek ABS body, 1.5-liter water tank, dual-cup capability, and LED touch interface make the TCM-9008A-GS both elegant and efficient. The included cleaning brush and automatic maintenance programs ensure long-lasting performance with minimal effort.

Perfect for coffee lovers who want quality, convenience, and style in a single machine.
