Brew your favorite coffee your way with the Tornado TST-550-GS 7-in-1 Multi-Capsule Coffee Machine. Designed for ultimate flexibility, this compact unit supports seven coffee formats: ground coffee, Nespresso®, Dolce Gusto® (2 types), Lavazza®, Lavazza Blue®, and Caffitaly®—all interchangeable via easy-insert drawers.

Its advanced 19-bar thermoblock system combined with PID temperature control ensures optimal brewing performance and precise heat regulation for rich aroma and balanced flavor. A 1-liter removable water tank makes refills quick and mess-free, while the slim stainless steel and ABS design blends seamlessly into any kitchen or office.

With intuitive button controls, a crisp LCD display, auto descaling, and dishwasher-safe components, the TST-550-GS delivers reliable café-style convenience for every coffee lover.
