DJI Osmo Action 3 waterproof case

The product provides waterproof protection at depths of up to 60 meters,* giving divers more freedom to explore and record. It uses high strength glass to provide a clearer and more secure viewing experience.

* Before use, close the battery compartment cover and USB-C port, and tighten the protective lens cover. It is recommended to install the Waterproof Case when shooting underwater or in high-pressure environments for long periods of time. The Osmo Action 3 Waterproof Case has an IP68 waterproof rating. Do not use the camera in hot springs or expose it to corrosive liquids.
