Did you know only a handful of Camarillo White horses worldwide? The schleich® Camarillo mare figurine is a true-to-life replica of the rare breed - a special gift for any horse lover.

Snow-white coat, white hooves and light pink nostrils - the Camarillo mare is a true beauty. No wonder she loves to be shown off at parades. Her immaculate coat is a true rarity. That is because all pure white Camarillos can be traced back to one small family of horses in the USA. The original stallion was called Sultan. What are you going to name this pretty mare here?
