Philips ADD5962BK/10 water filter Dispenser water filter 3.8 L Black

Model: ADD5962BK/10

Manufacturer: PHILIPS

EAN: 4895244610193

Product Code: 1746082

R9,652

Hot, Cold, Ambient, Still, Sparkling

All convenient water features are now available from your countertop. The modern and sleek design is perfect for anyone who favors style and simplicity. No plumbing required!

Sparkling whenever you want

Sparkle Up! Enjoy filtered and chilled tongue-fizzing sparkling water! The innovative carbonating lever gives you control when carbonating your freshly tapped water. Compatible with most common (screw fitting) Australian 60L CO2 cylinders.

Chilled (6°C) water on demand

Ultra silent Duo Peltier cooling fans chill more than a liter ambient (25°C) water to as cold as 6°C in less than one hour.

Hot water in seconds

Filtered hot water dispenses within seconds. Multiple temperatures available: Ambient, 40°, 70°, 80°, 90°, 100°c.

Softer and better tasting water

Philips Micro X-Clean Softening+ filters improve the taste and quality of water by reducing chlorine, heavy metals and emerging contaminants such as microplastics and PFOA*. The Softening+ filter also offers 50% more protection against limescale build-up. Enjoy crisp and pure tasting water!

UV-C LED keeps the cold water fresh

UV-C LED technology activates every hour in the cold water tank, inhibiting bacteria growth in the freshly filtered water by up to 99.9%**.

Return from holiday cleaning mode

Simply activate the self-cleaning mode to rinse the water pipes with hot water, so that you feel more confident about the hygiene of the system.

Safety lock to avoid scalding

Safety lock is automatically activated when dispensing hot water

BPA-free

All parts that come into direct contact with water are made of BPA-free materials.
