Healthy drinks in seconds

Whether you’re looking for a boost at the gym, a healthy snack, or breakfast on the go, the Blend-Xtract Sport attachment enables you to create nutritious drinks quickly and easily.

Simply add your ingredients, twist, blitz – and away you go!

Portable nutrition

You’ll receive two 0.6L bottles, meaning you will always be prepared with an extra bottle at the ready. Alternatively, let your family or friends get in on the blending action too.

The stainless steel blades are designed to break down even the toughest food, so whether you’re adding nuts, kale or ginger, your drink will have a nice, smooth consistency.
