

Ubiquiti R5AC-Lite Networks Rocket 5ac Lite 450 Mbit/s White

Model: R5AC-Lite

Manufacturer: UBIQUITI

EAN: 810354022708

Product Code: 1746631

R3,384

R5AC-Lite - advanced Ubiquiti technology

The Ubiquiti R5AC-Lite guarantees high quality and stable transfer speed. The device belongs to the airMax Rocket AC series.

The device is characterised by a maximum connection speed of 450 Mbit/s. The device works in the 5150 - 5875 MHz band.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Parameters

The device uses an Atheros MIPS 74KC 720 MHz processor. The device uses 128 MB internal memory and 16 MB flash drive memory. It is equipped with 1 Ethernet LAN (RJ-45) port. It supports QoS service and VLAN. It is CE, FCC and IC certified.

Use

The R5AC-Lite is compatible with airMax AC Sector Antenna and RocketDish AC Antenna devices to create efficient Point-to-Point and Point-to-Multi-Point links.

Construction

Its solid construction enables it to work in unfavourable weather conditions. It can be used at temperatures ranging from -40 to 80 degrees Celsius and relative humidity of up to 95%. It includes an installation set, a power supply unit and a short manual.

Key features

- works in the 5 GHz band
