SuperCeramic coating

High quality ceramic soleplate for gentle and easy ironing.

Precision tip

The triangular shaped precision tip at the front of the iron allows easy removal of the toughest wrinkles from hard to reach areas like collars and seams.

Self-clean

Ensures long-lasting steam performance. Easy-to-use and convenient system to clean the soleplate from scale particles.

Anti-drip

No more annoying water stains and leakage during ironing, even at low temperature.

Auto-off

The auto-off function automatically turns off the steam iron after 8 minutes in the vertical position or after 1 minute in the horizontal position for safety and energy saving.

Easy Refill

Enjoy faster and more convenient refilling thanks to a larger water tank opening. The lid has also been designed more ergonomically to make it easier to open and close.

Ergonomic open handle

High comfort and excellent handling while ironing thanks to the dotted texture for better grip.
