

APC Back-UPS PRO BR900G-GR - 900VA, 5x Schuko socket, USB

Model: BR900G-GR

Manufacturer: APC

EAN: 731304286912

Product Code: 1747110

R6,190

Security through emergency power

An APC Back-UPS PRO has a built-in battery that ensures that all connected equipment, such as a NAS, router, modem and media box, continues to work if the power goes out. In addition, this APC emergency power supply can also automatically shut down a NAS or PC in time via the USB connection. Useful when the APC ups is almost empty. This prevents downtime, damage to equipment, and loss of data.

Safety and convenience

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

In addition, this safe APC Back-UPS PRO protects valuable equipment against peak voltage caused by lightning strikes, for example. With these UPS you can secure both your power and network connections (1Gbit). Because the APC Back-UPS PRO is also equipped with an LCD screen, it is easy to use.

Insurance

Despite the high risk of lightning strikes and surges, APC has full confidence in its products and offers this APC Back-UPS:
- Equipment protection policy of 150,000 euros

Extend the lifespan

The internal battery cartridge (APCRBC123) can be replaced easily, safely and independently by the user. This without having to switch off the APC BR900G-GR or connected equipment. This way you can easily and cheaply extend the lifespan of the APC Back-UPS.

Warranty extension

The factory warranty of the BR900G-GR is 3 years and can be upgraded to 6 years with the APC service pack (WBEXTWAR3YR-SP-01).

Save on operational costs

The UPS is equipped with AVR, which extends battery life and maximizes runtime by correcting low and high voltages without discharging the battery. Furthermore, the emergency power supply has 5 battery+surge protected outputs. PowerChute Serial Shutdown software and a USB cable (type B to type A) are also included.
