Model: DS-12880

Manufacturer: ASSMANN ELECTRONIC

EAN: 4016032468639

Product Code: 1747564

R2,857

With the DIGITUS 4 Port KVM Switch for single displays, you can operate four 4K-compatible PCs using a single USB keyboard and mouse combination. By pressing a button or hot key, you can switch comfortably between the two PCs and are spared the trouble of replugging all cables. Output to one monitor is provided via the HDMI output on the rear side. You can also switch between the audio signals for the microphone and speaker. In addition, a USB port is included on the front side for use with other peripheral devices like USB sticks or external hard drives on both PCs. The connected peripheral devices are each assigned to the active PC. Status LEDs on the front side of the switch show you the current configuration at all times. The switch features the added benefits of sturdy metal housing.
