Equip Pro Mount 19' Cabinet, 07U, 600X600MM, RAL9005 Black

Model: EPM-07-6060-B-CBAA

Manufacturer: EQUIP

EAN: 4015867232194

Product Code: 1747627

R6,822

Our Wall Mounting 'Pro Mount' Cabinets are tailored for a hassle-free and efficient setup of both active and passive network components, emphasizing sleek cable management. Constructed from steel sheets up to 1.5 mm thick, every rack stands out for its robustness and durability. These cabinets are beautifully finished with a powder coating in shades of grey (RAL 7035) and black (RAL 9005). Wall mounting has been simplified for users, and for those preferring standalone configurations, individual leveling feet or castors are available. The door and side panels are designed for easy detachment, with the option to switch the door's orientation from right to left. For enhanced air circulation, the roof features integrated ventilation slots. Each cabinet is equipped with a set of two pre-mounted 483 mm (19”) profile rails. These rails are galvanized, feature height unit markings readable from both directions, and are adjustable in depth. The back frame also incorporates 483 mm (19”) punch-outs. Prioritizing efficient cable management, the roof boasts a sliding cable entry panel with a rubber seal. Punched-out cable entries with plastic covers are found
