Mars Gaming MC-PMAX Midi Tower Black

Model: TACMARS-MCPMAX

Manufacturer: TACENS

EAN: 8435693108009

Product Code: 1747659

R1,393

The MC-PMAX PC case fuses power and style in a mid-tower ATX case that stands out with its elegant PURE BLACK design. With an optimized MESH front panel for superior airflow and a tempered glass side window that shows off your entire setup. Equipped with 4 ultra-quiet 120mm FDB fans, support for up to 360mm liquid cooling, and an efficient dual-chamber design, this chassis guarantees optimal cooling and performance, ideal for high-performance configurations.

PROFESSIONAL MESH DESIGN

With its professional pure black design, the MC-PMAX chassis combines performance and style with a MESH front and side openings that maximize airflow, ensuring efficient cooling for your components. Plus, its full tempered glass side window offers a perfect view of your setup, allowing you to showcase your equipment in style. Its professional aesthetic blends seamlessly with any setup, offering superior performance and sophisticated style.

OPTIMIZED ORGANIZATION AND PERFORMANCE

The MC-PMAX’s advanced cable management system is designed to keep your setup clean and organized. Thanks to its advanced system, cables are efficiently hidden away, improving overall aesthetics and optimizing airflow for superior performance. Additionally, the removable top and bottom magnetic dust filters make cleaning and maintaining your PC a breeze.

VERSATILE CONNECTIVITY

Enjoy full connectivity with the MC-PMAX, equipped with a top panel with USB 3.0 and 2.0 ports, as well as audio and microphone jacks. This design allows you to quickly connect all your devices, facilitating a more agile and comfortable user experience.

MAXIMUM COOLING

With 4x ultra-quiet 120mm FDB fans included as standard, the MC-PMAX case has been designed to deliver exceptional cooling and ensure constant ventilation and superior performance. It supports liquid cooling systems up to 360mm in the front and 120mm in the rear, and can house up to 6x 120mm or 4x 140mm + 1x 120mm fans. Its dual-chamber structure improves airflow, keeping your key components at optimal temperatures even in the most demanding configurations.

EXPANDED INTERNAL CAPACITY

The MC-PMAX offers ample internal space to fit a wide variety of components. Compatible with ATX, MicroATX and Mini-ITX motherboards, it supports graphics cards up to 325mm and CPU coolers up to 157mm. Additionally, it offers a versatile storage system with capacity for 2 x 3.5” HDDs and 2 x 2.5” SSDs, allowing you to create an advanced configuration without restrictions.
