

LG PCS500R video servers/encoder

Model: PCS500R.AEU

Manufacturer: LG

EAN: 8806091298997

Product Code: 1748567

R99,341

Pro:Centric® Direct Support

The stand-alone server supports LG’s Pro:Centric® Direct, an HTML5 Content Management Software. This software offers a comprehensive UI (user interface) editor, along with customizable widgets and a number of theme templates to enable a unique guest experience as well as express your hotel’s brand identity and individuality through LG’s in-room television.

Server Admin Client

PCA or PCD Admin Client Graphical User Interface (GUI) is provided and is remotely accessible via the Internet using VPN service and a standard web browser, to provide System Integrator administration users with a full suite of features to manage and support the Pro:Centric system, including:

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
