BenQ ZOWIE XQ2766X is a 27-inch gaming monitor designed for competitive play and fast-paced titles. The monitor pairs a Fast TN panel with QHD resolution to deliver sharp visuals and high refresh responsiveness at up to 360 Hz, helping maintain smooth on-screen motion and precise tracking. The display includes DyAc 3, Black eQualizer, and Color Vibrance to support clearer action, improved visibility in dark scenes, and customizable color balance. Ergonomic adjustments including 155 mm height, tilt, and 90-degree swivel make it simple to find a comfortable viewing position, while a compact set of inputs including three HDMI ports, DisplayPort 1.4, and a headphone jack enable connections to PCs, consoles, and peripherals. Built-in Low Blue Light and Flicker-Free
