R1,377

Introducing the MC-GRU0610DKW Danish Power Strip with an incredible 10-meter cable length! Designed for maximum reach and versatility, this power strip is ideal for large spaces, workshops, or situations where extended cable lengths are required.

Featuring a sleek black design, this power strip complements any environment effortlessly. With its six outlets, you have an abundance of space to connect multiple devices simultaneously, eliminating the need for multiple power sources and reducing clutter.

The 10-meter cable length provides exceptional flexibility, allowing you to position your devices exactly where you need them. Whether you're setting up a workstation, entertainment system, or workshop, this power strip offers the freedom to arrange your space according to your preferences.
