Let Your Stories Be Told

Delve further into your stories by turning reading into listening with the free TTS feature. Enjoy engaging audiobooks with the built-in speaker, or your wireless Bluetooth headphones.

Carry the Way You Like

Equipped with a G-sensor, the device automatically adapts to however you hold it. Simply rotate, turn, or tilt to change page orientation to portrait or landscape.

Don't Let an Idea Slip Away Again

Catch every spark of ideas before they fade. With writing capabilities, this slim ePaper reader empowers you to underline key points and mark up your own opinions in your favorite books, or jot down any of your spontaneous thoughts and create to-do lists with notebooks—all while packing light.

Mark up Your Books with Ease

Directly highlight, annotate, and take handwritten notes on your books with the BOOX InkSense⁴ to capture any inspired thoughts that come to your mind.

Jot down Ideas as They Flow

With the native Notes app, you can easily write down your fleeting thoughts, sketch random doodles, and make a simple travel journal on this portable eReader, ensuring that no valuable insight goes unnoticed.
