

MOBILE PHONE ARMOR 17 PRO/8/256GB BLACK ULEFONE

Model: 17PRO BLACK

Manufacturer: ULEFONE

EAN: 6937748735083

Product Code: 193799

R3,800

108MP Pro-Grade Main Camera

Mobile Photography Reimagined

Experience next-level photography empowered by Samsung ISOCELL HM2, a massive 1/1.52" sensor that incorporates ISOCELL Plus and Smart-ISO technologies to bring in notably more light and details. Plus, with 9-in-1 pixel binning for exceptional low-light performance, the 108MP sensor can capture crisp, vibrant, and true-to-life images as well as breathtaking 4k video, day or night.

8MP Super Night Vision 2.0

Better Clarity, More Details

Everything in the dark is clearly visible thanks to Infrared Night Vision 2.0. The 8MP night vision camera with two IR LEDs is a great upgrade over the previous version and enables you to easily navigate and sight targets in low light or no light areas, making it the perfect partner when heading out for the night.

8MP Ultra-Wide Angle Camera

16MP Front Camera

The 8MP ultra-wide angle lens gives a significantly wider angle of view for architectural and landscape photography, and the 16MP Sony front camera with intelligent portrait enhancements will show the best side of you in every selfie or video call.

6.58" 120Hz FHD+ Display

Oh. So. Smooth.

In the 6.58" all-screen, Full HD+ (1080 x 2408) resolution display with vivid color and crisp clarity, everything looks brilliant and comfortable to the eyes. The superfast 120 Hz display refreshes twice as often to deliver silky-smooth scrolling of web pages and animations, with a quick response speed of the 240Hz touch sampling rate that takes your gaming to new heights.

Corning Gorilla Glass 5

Double the Shock Resistance

Designed tougher yet thinner than normal glass, the Corning Gorilla Glass 5 provides superior protection against the drops, bumps, and damage that come with everyday use, while enabling a slim and visibly elegant design for the Armor 17 Pro. In lab tests, the 1.1mm thick glass can survive drops onto hard surfaces from 1.5 meters and also delivers 2x the scratch resistance.

IP68 & IP69K Certified

No Case Required

Engineered with a shatter-resistant screen, a military-grade body, and a sturdy frame, the Armor 17 Pro gives rock-solid reliability to redefine your work and play. It meets the IP68 and IP69K ratings with resistance to ingress of dust, high temperature, and high-pressure water, and is certified for military standards to withstand shocks from all faces, edges, and corners.

The Best for Work or Outdoor Adventure

Don't ever let cracked screens or water damage bring productivity to a halt. Thanks to an advanced processor, top-notch tech, and resistance to water, dust, drop and bump, this phone is ideal for an office worker, a construction site manager, or an extreme sports enthusiast, to help with all of your business goals and tasks.

Helio G99 Next-Gen Gaming Processor

Unparalleled Energy Efficiency

Meet the G99, an all-new chipset in the MediaTek Helio G series that makes its debut with an extremely efficient 6nm process for the Armor 17 Pro. Inside the Helio G99 is an octa-core CPU with 2 Arm Cortex-A76 performance cores clocking up to 2.2GHz and a powerful Arm Mali-G57 GPU, providing superior 3D graphics capabilities and a smoother gaming experience than ever.

Up to 13GB Memory

256GB Internal Storage

Here comes the true multitasking beast. 8GB of RAM and up to 5GB of virtual RAM let more apps run at once with ultimate speed and smoothness at your fingertips. 256GB of internal storage plus up to 2TB of microSD card provides ample space for apps, files, photos, and videos, making downloading and sharing a breeze.

66W Superfast Charge

38% Battery in 10 Minutes

With the 66W Superfast Charge, the large battery of 5380mAh can be charged to 38% in just 10 minutes, which is 60% faster than a regular 20W. Besides, the charger, charging cable, and phone all adopt a power management chip to prevent the battery from overcharging or overheating. 100% charging safety ensured.

15W Wireless Charge

Reverse Charge Supported

Charging your phone gets safer and easier with the 15W Wireless Charge. Moreover, the Reverse Charge feature lets you charge another phone, watch, or earbuds by simply dropping them on the back of the Armor 17 Pro. There are no cables, nor mess, just a stronger sense of technology.

Thin and Light, It's Just the Right.

Ulefone Armor 17 Pro strikes a balance between beauty and brawn as a flagship. The ultra slim, sleek design, complemented by the elegant shades of matte black, makes it a perfect choice for business use, while the durable materials give it more rugged reliability than any modern smartphone housed in a bulky protective case.

Magnetic Attach & Charge

Easy Everyday Experience

With new magnetic technology, you can enjoy endless possibilities from this phone and an ecosystem of accessories, such as the exclusive Phone Stand Wallet (included) that keeps your cards close at hand, the uMagnet Sound Duo portable speaker to boost your audio experience anywhere, and any MagSafe compatible accessories for easy attachment and wireless charging.

Just Pure Android Experience

Enjoy an Android experience that is safer, faster, and cleaner than ever. In the latest, most basic version of Android 12, there are no ads, bloatware, or third-party apps; instead, you get a pleasant experience with enhanced privacy, better control over the device, and more storage space for your own use.

Experience Improvements from Ulefone

On the Armor 17 Pro, we brought our first ever custom user interface, the Ulefone UI, which was developed for unique style and better functionality. We also debuted the Service Center app to provide instant online service for our valued customers.

LTE Global Networks

3-Card Slot, Dual SIM Standby

The Armor 17 Pro supports dual SIM standby and reliable LTE networks around the globe. The 3-card slot can hold two Nano SIM cards and a 2TB microSD card simultaneously, providing more flexibility for business uses.

Intelligent Phone Unlock

Unlock your phone effortlessly with face unlock or the side fingerprint sensor.

3-Card Slot Design

Holds two Nano SIM cards and a 2TB microSD card simultaneously.

Multi-Functional NFC

Offers a fast and safe way to scan transit cards or make payments with Google Pay.

Summary: Ulefone Armor 17 Pro. Display diagonal: 16.7 cm (6.58"), Display resolution: 1080 x 2408
