ONYX BOOX Go 6 is a compact E Reader with a 6" E Ink Carta Plus (Carta 1300) screen with front light and touch control. The model has a thin lightweight body of 6.8 mm of thickness and weighs 146 grams. The screen of the device is covered with special protective ONYX Glass. The Go 6 is based on a high-performance 8-core processor and has 2 GB of RAM. The device is equipped with a modern dual-band Wi-Fi and Bluetooth 5.0 module. Built-in 32 GB of storage and a slot for microSD cards allow you to store a large number of ebooks and documents directly in the device. Thanks to the Android 11 operating system, you can install various third-party applications. The audio player
