- Immersive Full HD+ display and Dolby Atmos®.² Bring programmes, films and games to life on a fluid 6.49" FHD+ 120Hz display backed by multidimensional stereo sound. ¹
- 50 MP camera system with OIS. ³ Capture incredibly clear low-light photos and smoother videos with an unshakable camera system featuring optical image stabilisation
- Elegant, eye-catching design. Stand out with a sleek look and tactile feel, including premium designs in soft vegan leather for an added touch of luxury
- Massive battery and blazing-fast charging. Work and play to your heart's content with a 5000 mAh battery, then fuel up fast with TurboPower™ 30 charging. ¹²
- 256 GB built-in storage. ⁴ Enjoy plenty of room for photos, films, songs and apps – and add up to 1 TB more with a microSD card. ⁵
- Upgraded 5G performance. Unleash entertainment at 5G speed with the MediaTek Dimensity 7025, a powerful octa-core processor with frequencies up to 2.5 GHz

1 [120 Hz refresh rate]

A minimum device refresh rate of 30 Hz and a maximum refresh rate of 120 Hz; actual refresh rate may be less and will vary based on app/content limitations and requirements, device mode settings, and other factors.

2[Dolby trademark attribution statement]

Manufactured under licence from Dolby Laboratories. Dolby, Dolby Atmos and the double-D symbol are registered trademarks of Dolby Laboratories Licensing Corporation.

3 [50MP-Quad Pixel but actual resolution is 12.5MP]

The 50 MP sensor combines 4 pixels into 1, for an effective photo resolution of 12.5 MP.

4[Built-in storage]

Available user storage is less due to many factors, including operating system, software and functions using part of this capacity; may change with software updates.

5[MicroSD Card]

Supports up to 1T microSD card, microSD cards sold separately. Content with DRM restrictions may not be able to be moved to the card.

6[Corning® Gorilla® 3 Glass]

Corning and Gorilla are registered trademarks of Corning Incorporated.

7[Auto smile capture]

Auto smile capture can recognise up to 5 faces/people in the same frame.

8[Water-repellent]

Water-repellent design creates a barrier to help protect against moderate exposure to water such as

accidental spills, splashes or light rain. Not designed to be submersed in water, or exposed to pressurised water or other liquids; may diminish over time. Not waterproof.

9[Battery and charger]

Battery life

All battery life claims are approximate and based on the median user tested across a mixed use profile (which includes both use and standby time) under optimal network conditions. Actual battery performance will vary and depends on many factors including signal strength, network and device settings, temperature, battery condition and use patterns.

for BTL non-takeaway materials

Based on the median user tested across a mixed use profile (which includes both usage and standby time) under optimal network conditions. Actual battery performance will vary.

for BTL reduced space materials

Based on a median mixed usage profile, actual battery life will vary.

NOTE: Only use when not using the charging disclaimer.

Charger

Battery must be substantially depleted; charging rate slows as charging progresses. All battery life claims are approximate and based on the median user tested across a mixed use profile (which includes both use and standby time) under optimal network conditions. Actual battery performance will vary and depends on many factors including signal strength, network and device settings, temperature, battery condition and use patterns.

for BTL non-takeaway materials

Battery must be substantially depleted; charging rate slows as charging progresses. Based on the median user tested across a mixed use profile (which includes both usage and standby time) under optimal network conditions. Actual battery performance will vary.

NOTE: Charging disclaimer covers both battery usage and charging claims.

Use cases

Battery life claims are approximate and based on optimal network conditions. Actual battery performance will vary and depends on many factors including signal strength, network and device settings, temperature, battery condition and use patterns.

10[5G]

5G service available with 5G plan. 5G network coverage required; available only in selected areas; device not compatible with all 5G networks. Contact your service provider for details.

11[Android™ 14]
