

## MOUSE USB OPTICAL WRL/PULSEFIRE HASTE 2 WHITE HYPERX

Model: 6N0A9AA

Manufacturer: HYPERX

EAN: 196786272547

Product Code: 194103

**R2,596** ~~R2,732~~

### Wireless gaming at the speed of ultra-light.

The HyperX Pulsefire Haste 2 Wireless is built for gamers who can't afford to waste a millisecond and want the freedom of wireless connectivity. This sequel had a solid upper shell and keeps the 61g<sup>[3]</sup> weight and 100-hour<sup>[2]</sup> battery life of the original Pulsefire Haste, but builds upon it with several refinements. Pulsefire Haste 2 Wireless has dual mode wireless connectivity, allowing you to switch between 2.4GHz wireless and Bluetooth connections, and a charging cable so you can charge while using the mouse in wired mode. We've also built out a full suite of high-performance HyperX custom components, highlighted by the precision HyperX 26K Sensor with a native DPI of up to 26,000 and a tracking speed of up to 650 IPS. Our custom HyperX Switches provide tactile, audible feedback on each satisfying click, and are rated for a lifespan of up to 100 million clicks. You'll also enjoy superior physical control of your mouse with smooth, low-friction skates, and the included grip tape. Get the

most out of every mouse movement with HyperX NGENUITY Software and create macros for the 6 programmable buttons, customize your DPI settings, and personalize the RGB lighting.

- The Pulsefire Haste 2 Wireless gets up to 100 hours<sup>[2]</sup> of battery life on a full charge, so you'll spend more time racking up wins, and less time charging on the sidelines.
- Game at the speed of ultra-light with the Pulsefire Haste 2. Even with a solid upper shell, it weighs just 61g<sup>[3]</sup>, designed to help you move quicker, game better, and feel less fatigue.
- Use the dongle to connect via 2.4GHz wireless or use Bluetooth Mode to connect to compatible devices.
- Say hello to our HyperX 26K Sensor. It's capable of up to 26,000 DPI natively and can track at speeds up to 650 IPS. With that level of precision, making clutch plays has never been easier.
- Rated for up to 100 million clicks, HyperX mouse switches provide solid tactile and audible feedback on every satisfying click.
- Have ultimate confidence in your control with the smooth effortless glide of HyperX's low friction skates, and 4 pieces of custom, residue-free HyperX grips to help provide a secure hold.
- If you need to charge while you play, or just want the fallback option of having a physical connection to your mouse, the included USB-C to USB-A cable has got you covered.
- Personalize your lighting, set up macros and binds for the Pulsefire Haste 2 Wireless's 6 programmable buttons, and customize DPI settings with easy-to-use HyperX NGENUITY Software.

<sup>[2]</sup> Tested under continuous usage with lighting disabled, 2.4GHz mode, and 1000Hz polling rate. Battery life varies based on usage and computing conditions.

<sup>[3]</sup> Weight of mouse only, not including charging cable.

Technical specification disclaimers:

Per-LED RGB lighting customizable with HyperX NGENUITY software.

Tested under continuous usage with lighting disabled, 2.4GHz mode, and 1000Hz polling rate.

Battery life varies based on usage and computing conditions.
