Roamii BE Lite offers seamless connectivity with a single network name (SSID), allowing you to enjoy uninterrupted streaming of AI-based applications or gaming on your handhelds while you move throughout your home.

Powered by WiFi 7, Roamii BE Lite delivers high-speed dual-band connectivity that ensures seamless and low latency internet access in every room.

Ultra-fast 2.5 Gbps wired connection

The Roamii BE Lite offers one 2.5Gbps and two 1Gbps Ethernet ports, with option to operate as mesh backhaul or high-speed wired connections. These Ethernet ports ensure a zero-lag experience for bandwidth-intensive needs, allowing for minimal interruption while you immerse in online entertainment.

Simple, right at your fingertips

Easily set up your mesh system with the intuitive Roamii app, which will also alert you to any security events.

Home Network Protection

Activate Fortisecu in the Roamii app, to scan threats and protect all connected devices, including phones, computers, TVs, game consoles, and other IoT devices.

Parental Controls

Setup a profile for your kids' devices and Fortisecu can help manage and schedule access internet, and block harmful content.

Separated Networks

Set up individual networks for child, guest, and smart home devices that isolated from others for better protection and easy management.

Desk-top or wall-mount as needed

Roamii BE Lite comes with wall-mounting accessories, allowing you to place it on a cabinet in the living room, hang it on the garage wall, or position it anywhere you desire.

- Dual-band speeds up to 5Gbps: Supports speeds up to 4323 Mbps on 5GHz and 688 Mbps on 2.4GHz
- WiFi 7: The latest WiFi technology featuring MLO (Multi-link operation), 4K-QAM and MU-MIMO
- Seamless coverage: Fast WiFi cover up 5800 sq.ft. (2-pk), allowing you enjoy streaming and gaming everywhere in your home
- Flexible backhaul: Set up low latency mesh backhaul with wired or wireless connectivity
- MSI FortiSecu: Provides comprehensive security protection and parental controls, powered by Trend Micro™
- Ease of use: Setup and manage your mesh network in minutes with MSI Roamii app, and receiving security notification in real-time

Summary: MSI Roamii BE Lite Mesh System 1-pack. Product colour: White, Antenna type: Internal, Product type: Mesh system. Wi-Fi band: Dual-band (2.4 GHz / 5 GHz), Top Wi-Fi standard: Wi-Fi 7 (802.11be), Wi-Fi standards: 802.11a, 802.11b, 802.11g, Wi-Fi 4 (802.11n), Wi-Fi 5 (802.11ac), Wi-Fi 6 (802.11ax), Wi-Fi 6E.... Processor frequency: 1.5 GHz, Internal memory: 256 MB, Firmware upgradeable via: Network. AC adapter output voltage: 12 V, AC adapter output current: 1.5 A. Width: 118.5 mm, Depth: 108 mm, Height: 238 mm | Vendor Homepage:
