Premium full-size mechanical gaming keyboard with full RGB illumination

Low-profile legend

Tap your way to victory with the Torix Mechanical Gaming Keyboard. With low-profile keycaps and linear Huano mechanical switches, this keyboard offers quicker key presses and up to 50 million keystrokes, meaning you can game comfortably and more precisely for hours on end.

Put on your armour

Every fighter deserves nothing but the best armour, which is why this keyboard has been fitted with a durable aluminium top plate that not only gives it a sturdy feel, but also ensures it's up for even the most intense of use. What's more, it even has a handy volume knob so you can shift the sound at ease.

RGB, your way

With 16.8 million colours, the Torix's fully adjustable RGB allows you to pick the perfect colour pattern for your game and style. Whether you're in the mood for some laidback vibes or ready to get the party started, this keyboard has the ideal fit for you!

Your command centre

Be the captain of your own destiny with this keyboard's included software. With the ability to customise the keys, lighting and more; you can make this keyboard just as unique as your gaming style is.

No spooks here

Missed key presses? Not a chance. With N-key rollover anti-ghosting, the Torix ensures that each and every one of your key presses are registered, so you can play with all the precision and accuracy you need.

Store 'n' go

We know sometimes your desk is needed for things other than gaming, which is why this keyboard is fitted with a handy 1.8m detachable USB-A-to-C cable. Tuck away when not needed, or take your keyboard on the go - the choice is yours!
