R1,147

Logitech's unified communications USB headset portfolio combines enterprise-quality audio performance with the human-centric design and user-friendly features Logitech is known for. Headsets that are comfortable, stylish and intuitive so people actually love to use them - further enhancing UC collaboration in your workplace.

The Logitech USB Headset Stereo H650e features a clever LED light that visually signals to others that you are on a call, preventing accidental interruptions. The inline call command controller features easy-to-access buttons, and the double-ear corded design is ideal for employees who need to block off surrounding noise for laser-like focus during desktop calls. Ultra-light weight without sacrificing high-quality audio, the H650e Stereo can be worn comfortably all day and features an acoustic echo cancellation and a noise-cancelling microphone to help eliminate background
