Enhance your everyday gaming setup with the ASTRO A10 Gen 2 Headset. Consider it the next evolution of the equipment you already use on a daily basis. Explosive audio thanks to 32mm dynamic drives, flip-to-mute boom mic, and durable construction with replaceable ear cushions and headband pad combine for an unforgettable audio experience. No need to worry about popping those Ps or purchasing another headset when things start feeling a little rundown. Buckle down for all-night gaming sessions thanks to the A10's ergonomic construction, with closed back design, supported with sturdy construction and an ultra-durable, comfortable headband that may just outlast your old favorite headset. Adjust your audio without leaving your seat with an inline volume control so you never miss a single moment of the action.
