Comfortable mobile gaming audio.

You don't have to wear a headset to take your gaming seriously. If you demand quality audio and convenient portability, the HyperX Cloud Earbuds II have got you covered. With 14mm drivers optimized for mobile audio, you'll have a great listening experience whether you're gaming, watching videos, or listening to a good audiobook or podcast. 4 sets of redesigned ear tips will help ensure you get the right fit for your ear. The Cloud Earbuds II also feature a low-profile 90° cable to help you avoid snags, as well as a helpful hard carrying case. For busy multitaskers, the built-in microphone allows you quickly swap from mobile gaming to answering phone calls with a touch of the multi-function^[3] button. These versatile earbuds are compatible with PC^[1], Nintendo Switch, Steam Deck™, and mobile devices^[2] that use a 3.5mm connection.
