R951

Dell KB-813 Smartcard Reader USB Keyboard Black.

The KB813 Smartcard keyboard from Dell is designed to offer high security. It is one-stop solution to protect institutional data and intellectual property through a comfortable, stylish keyboard that has an integrated smartcard reader. This Smartcard keyboard provides durable typing solution through spill-resistant, low profile quiet keys with a removable palm rest that helps provide a comfortable typing experience. Its wired connection helps provide secure, fast data and authentication transfers. Moreover, the wired USB connection is easy to connect to virtually any Dell system.
