The Lindy USB Type A Wired Headset with In-Line Control is a professional headset for connectivity with PCs, laptops, or other USB outputs. The binaural design provides clear stereo audio playback, replacing in-built PC or laptop speakers. The flexible omni-directional microphone captures the users voice clearly for superior video calling clarity. The in-line controls ensure simple volume and muting adjustment, great for flexible use within video conferencing. The headset's lightweight design ensures comfort even with all-day use within offices and call centres and they can be also used in conjunction with popular VoIP and Office software.

- USB Type A binaural headset for use in unified communications, call centres and home office setups
- In-built omni-directional microphone for vocal clarity
- Lightweight, adjustable design
- In-line control for volume adjustment and mute functionality
- 2 year warranty
