

MOUSE PAD CRYSTAL SPECTRUM L/EY6B011 ENDORFY

Model: EY6B011

Manufacturer: ENDORFY

EAN: 5903018667874

Product Code: 194819

R414 ~~R491~~

Designed to look great, Crystal Spectrum L creates a flawless surface for optical and laser sensor operation to ensure smooth mouse movements. Perfect for those who value the unique look of their computer accessory setup.

The L-sized, damp-proof surface area of 450x400 mm gives you plenty of space. Its edges are protected by a colorful hem to prevent fraying and the high-quality black rubber layer on the underside keeps Crystal Spectrum L stable, maximizing your comfort during intense online battles.
