This self adjusting gel wrist rest allows personalised comfort as the keyboard support has the ability to conform to your wrist, which helps relieve pressure and fatigue whilst typing. With the easy clean surface, the innovative design allows you to wipe the keyboard wrist rest clean with a damp cloth, making it perfect for all environments. To prevent the growth of harmful bacteria on your office desk or in your home, this keyboard support also features built in microban protection which assists in keeping your wrist rest cleaner for the lifetime of the product. To prevent frustration in the workplace or at home, we have incorporated a non-skid rubber backing to the keyboard wrist support which keeps it in place and prevents it from slipping around. Fellowes understand that bad working habits cause many of us physical health problems and fatigue. By using this knowledge we have created a comprehensive range of ergonomic solutions like this innovatively designed product that help you enjoy a more comfortable and productive workspace.
