

Lexar NM790 M.2 2 TB PCI Express 4.0 SLC NVMe

Model: LNM790X002T-RNNNG

Manufacturer: LEXAR

EAN: 843367130290

Product Code: 19768

R5,917

Warranty period: 5 year(s) | Warnings: Protect against moisture. | Warnings: Do not disassemble the unit yourself. | Warnings: Do not expose to high temperatures. | Component for: PC/Laptop | NVMe: Yes | PCI Express interface data lanes: x4 | Protection features: Shock resistant | Operating shock: 1500 G | Memory type: SLC | Weight: 6 g | Read speed: 7400 MB/s | Lithography: 12 nm | Protection features: Vibration proof | Depth: 80 mm | Mean time between failures (MTBF): 1500000 h | SSD form factor: M.2 | Height: 2.45 mm | Storage temperature (T-T): -40 - 85 °C | Write speed: 6500 MB/s | SSD capacity: 2 TB | Operating temperature (T-T): 0 - 70 °C | Maximum operating temperature: 70 °C | Width: 22 mm | Interface: PCI Express 4.0 | Vibration resistance: 20 G | NVMe version: 1.4
