

Inno3D GeForce RTX 5070 TWIN X2 OC NVIDIA 12 GB GDDR7

Model: N50702-12D7X-195064N

Manufacturer: INNO3D

EAN: 8886307700339

Product Code: 20150

R14,414

HDMI ports quantity: 1 | NVIDIA Ansel: Yes | Other operating systems supported: FreeBSD | Product colour: Black | Length: 250 mm | Dual Link DVI: No | Processor frequency: 2325 MHz | Height: 116 mm | Interface type: PCI Express 5.0 | NVIDIA G-SYNC: Yes | Graphics card memory type: GDDR7 | Product colour: Grey | DisplayPort version: 2.1b | HDCP version: 2.3 | Windows operating systems supported: Windows 10 | Windows operating systems supported: Windows 11 | Graphics processor family: NVIDIA | Processor boost clock speed: 2542 MHz | Cooling type: Active | Data transfer rate: 28 Gbit/s | Maximum displays per videocard: 4 | Depth: 41 mm | HDCP: Yes | HDMI version: 2.1b | TV tuner integrated: No | Discrete graphics card memory: 12 GB | CUDA: Yes | OpenGL version: 4.6 | Memory bus: 192 bit | Supplementary power connectors: 2x 8-pin | Memory bandwidth (max): 672 GB/s | Minimum system power supply: 650 W | Linux operating systems supported: Yes | CUDA cores: 6144 | DisplayPorts quantity: 3 | DirectX version: 12 Ultimate | Number of fans: 2 fan(s) | Graphics processor: GeForce RTX 5070
