R2,515

The Jabra Evolve2 40 SE MS Stereo headset is designed for professionals who require high-quality audio and seamless communication in their work environment. Featuring a boom microphone with noise-canceling capabilities and a frequency response tailored for both multimedia and communication, this headset delivers clear sound. Wired connectivity provides a stable connection without the concern of battery life, while intuitive controls allow for easy management of calls and music. Certified for Microsoft Teams, it integrates smoothly into your workflow, enhancing productivity. The inclusion of SafeTone technology ensures your hearing is protected during long hours of use. With its durable aluminum construction and comfortable design, the Jabra Evolve2 40 SE MS Stereo is a reliable companion for the modern professional.
