When you're in the center of the battlefield, it's crucial to do everything from cast spells to activate skills in a flash. With the Razer Tartarus V2, you can bind commands and skills and activate them instantaneously - all in the palm of your hand.

Meet the best of both worlds. The Razer Tartarus V2 combines the soft cushioned touch of a membrane rubber dome with the crisp tactile click of a mechanical switch. Each key is actuated at mid-height for an instantaneous response. Now you can command faster than ever.

Equip yourself with a complete arsenal of 32 fully programmable keys for skills, hotkeys and macros right at your fingertips. The 8-way directional thumbpad can also be used for easy movement or to expand on commands.

Thanks to advanced ergonomics, you'll feel nothing but a comfortable fit whether you're gaming for an hour or ten. Comes with a detachable palm rest with two adjustable positions to suit your preferred angle of comfort.
