R90

The Gembird MUS-U-01 mouse combines functionality and comfort for an enhanced user experience. With wired connectivity, this mouse ensures a reliable and stable connection, complemented by an optical movement detection technology that delivers precise tracking. Designed for both right- and left-handed users, it features three buttons for versatile use, a convenient scrolling wheel, and a 1.25 m cable that provides ample flexibility while working at your desk. This mouse is suitable for everyday tasks and professional use. The 1000 DPI movement resolution allows for smooth navigation, making it appropriate for various applications, from web browsing to document editing. Its Plug-and-Play compliance ensures easy setup with any USB-enabled device, making it a practical choice for users seeking a straightforward and effective input solution.
