

HPE Aruba LIC- VIA Per User License E-LTU

Model: JZ148AAE

Manufacturer: HEWLETT PACKARD ENTERPRISE

EAN: 190017206073

Product Code: 204226

R351

The Virtual Intranet Access (VIA) client from Aruba provides secure remote network connectivity for Android, Apple iOS, Mac OS X, Linux and Windows devices. A hybrid IPsec/SSL VPN, VIA automatically scans and selects the secure connection to the corporate network. VIA offers a zero-touch end-user experience and automatically configures wireless LAN (WLAN) settings on client devices.

Product Description: HPE Aruba LIC-VIA - licence - 1 VIA user | Product Type: Licence | Category:

Security applications - network firewall | Licence Qty: 1 VIA user | Licensing Details: ESD
