The Motorola Edge 60 Pro offers a combination of performance and advanced technology. With a 6.7-inch pOLED display, users will experience vibrant colors and sharp visuals, enhanced by features like HDR10+ and a refresh rate of 120 Hz. The device is equipped with a MediaTek Dimensity 8350 processor and 12 GB of RAM, ensuring a smooth user experience for multitasking and gaming. With 512 GB of internal storage, there is ample space for apps, photos, and videos. The smartphone also features a robust 6000 mAh battery, supporting TurboPower and reverse wireless charging, allowing for long usage times and convenient charging options. Built to withstand the elements, the Edge 60

Pro is IP68 and IP69 rated for water and dust resistance, making it an ideal choice for those on the
