Zeblaze Btalk 3 Plus Smartwatch (Gold)

The Zeblaze Btalk 3 Plus smartwatch is designed to become your reliable daily companion. With advanced health monitoring features, extensive personalization options and precise activity monitoring, the Zeblaze Btalk 3 Plus will become not only a practical tool, but also a stylish accessory that fits perfectly with your needs and lifestyle.

A display that impresses

The smartwatch features a 1.39-inch HD color display that provides sharp images with a resolution of 360x360 pixels. The subtly curved 2.5D glass makes the screen look sleek and modern, while providing a clear, vivid image that is perfectly visible even in bright sunlight. The watch also offers the ability to personalize the watch face with more than 300 available designs, as well as the option to upload your own photos.

Your health under control

Take care of your health with the Zeblaze Btalk 3 Plus! The watch is equipped with health monitoring features, such as 24-hour heart rate measurement and SpO2 (blood oxygen level) saturation monitoring. The available sleep monitoring function will allow you to control the phases of your sleep and its length, so you can improve the quality of your night's rest. The Zeblaze Btalk 3 Plus also features respiratory training and women's health monitoring, helping you maintain optimal fitness every day.

Workouts tailored to your needs

Whether you're a runner, cyclist or yoga enthusiast, this smartwatch is designed to support you in any type of physical activity. With more than 100 available sports modes, you can easily tailor workouts to your individual goals and preferences. What's more, you can continuously monitor the number of steps, the number of calories burned and the distance traveled.

Seamless communication

Forget about missed calls or messages. The Btalk 3 Plus allows you to easily answer calls and manage notifications from your wrist. With Bluetooth, built-in voice assistant and app integration, your smartwatch will become the center of your communication.

Long runtime for uninterrupted activity

Forget about daily charging! The Btalk 3 Plus offers up to 14 days of standard use on a single charge, so you can enjoy your activity without downtime. On the other hand, during heavy use, you can enjoy its features for about 7 days.

Additional capabilities

Zeblaze Btalk 3 Plus is a versatile assistant for your daily chores. Thanks to the weather forecast function, you will always be up to date with weather conditions. The timer and timekeeper allow you to accurately keep track of time during cooking, workouts or other activities. The built-in music controller allows you to manage the playback of your favorite songs without having to reach for your
