Clear display and advanced features

The watch features a 1.39-inch HD display with 360x360 resolution, covered with 2.5D curved glass for excellent visibility and durability. This ensures that all notifications, sports functions and health data are clear and easily accessible, making the Zeblaze Btalk 3 Plus an indispensable companion in any situation.

Voice assistant and full connectivity

Thanks to its Bluetooth connection, the smartwatch offers a voice assistant function that allows you to answer incoming calls, send messages, read mail and notifications without having to reach for your smartphone. This is a practical solution that allows you to be in full control of your device, regardless of the situation.

Advanced health and sports features

Zeblaze Btalk 3 Plus monitors your health 24/7, allowing you to manage parameters such as heart rate, blood oxygen level (SpO2), sleep quality and more. In addition, the smartwatch offers more than 100 sports modes so you can track your achievements, set new goals and improve your performance.

Personalization and intuitive controls

Customize the look of your smartwatch with more than 300 stylish dial templates to choose from. Personalization allows you to tailor the device to your style and mood, plus you can use your own photos and set them so that the watch displays them every time you touch the screen. The Zeblaze Btalk 3 Plus also offers a number of practical functions, such as weather forecasting, managing the camera and music played on your smartphone, and an alarm clock, making it a versatile and useful gadget.

Powerful battery and reliability

Equipped with a 260 mAh battery, the smartwatch provides up to 14 days of operation on a single charge, so you can use it without worrying about frequent recharging. It's ideal for those who value
