Zeblaze Beyond 3 Plus Smartwatch (Black).

The Zeblaze Beyond 3 Plus smartwatch combines style, modern technology and reliability. With advanced sports features, health monitoring, dial personalization and Alexa voice assistant, it's ideal for people who want more from a smartwatch than just a watch. Choose the Zeblaze Beyond 3 Plus and enjoy comfort, functionality and unparalleled design on a daily basis.

Sleek design and superior build quality

Zeblaze Beyond 3 Plus smartwatch is a device that combines elegance and functionality. The ultra-thin design with a one-piece metal bezel and stainless steel navigation crown ensures long life and durability. The silicone strap is comfortable and does not cause discomfort, even when worn for hours, making this watch the perfect companion for both everyday wear and intense workouts.

Stunning AMOLED screen

The smartwatch features a large 1.78" AMOLED screen that provides excellent visibility in all conditions, thanks to a brightness of 1,000 nits. Corning Gorilla Glass protects the display from scratches, while natural, vivid colors make every detail clear and legible. The minimalist design adds a unique touch.

Comprehensive sports and health features

Zeblaze Beyond 3 Plus offers more than 60 sports modes to monitor your progress in various sports. Built-in GPS with the ability to import routes makes it easy to track outdoor activities. In addition, the smartwatch monitors your sleep, measures your heart rate, checks your blood oxygen levels and many other parameters, allowing you to accurately track your health and fitness.

Alexa - your personal assistant

The smartwatch is equipped with the voice assistant Alexa, which allows you to answer calls via Bluetooth and perform other tasks without having to reach for your phone. This is an extremely practical solution that makes everyday life easier and allows you to focus on what matters most.

Personalization at the highest level

Thanks to the Fitbeing app compatible with Android and iOS, you can personalize the watch face by choosing from 120 ready-made templates. In addition, you have the ability to edit up to 30 templates, creating unique designs that perfectly reflect your style and tastes.

Reliable battery and water resistance

Zeblaze Beyond 3 Plus is equipped with a powerful rechargeable battery that provides up to 45 days of operation in power-saving mode, up to 18 days with regular use, and up to 11 days during heavy use. Water resistance of 3 ATM allows the watch to be used while swimming, training in the rain and other outdoor activities.
