

## OneOodio A5 ANC wireless headphones (white)

Model: A5 ANC White

Manufacturer: ONEODIO

EAN: 6974028141530

Product Code: 206911

## R955

### OneOodio A5 ANC wireless headphones (black)

The OneOodio A5 headphones are the ideal solution for those who value high quality sound and comfort. The durable battery allows you to enjoy your favorite music for a long time without interruption. Another advantage is the fast charging, which provides up to 10 hours of playback after just a 10-minute charge. The headphones support LDAC technology, offering transmission three times faster than standard Bluetooth, resulting in Hi-Res Audio quality sound.

### Hi-Res Audio

The OneOodio Focus A5 headphones offer advanced sound quality thanks to LDAC technology. It allows data transmission speeds of up to 990 kbps, three times faster than standard Bluetooth. This allows you to enjoy music with more detail and depth of sound. The headphones also support Hi-Res

Audio in both wireless and wired modes, ensuring studio-quality sound no matter how you connect.

## **AI-based noise reduction**

The hybrid noise cancellation (ANC) function works with AI support and can mute noise by up to 45 dB. As a result, the OneOdio Focus A5 headphones automatically adjust their operation according to the ambient noise level. You can use 3 levels of reduction: Commute, Indoor and Outdoor. Each works for different conditions, from a quiet office to noisy city streets.

## **Transparent mode for greater safety**

The headphones feature Transparent Mode, which allows you to listen to music without losing contact with your surroundings. With this feature, you can safely move around the city or communicate with others without removing the headphones.

## **Long operating time and fast charging**

The headphones' operating time reaches 75 hours with ANC off and 45 hours with active noise cancellation. In addition, the fast-charging feature allows you to get as much as 10 hours of use after just 10 minutes of charging. This means you don't have to worry about interruptions while listening to your favorite podcast, e-book or songs.

## **Ergonomic design**

OneOdio Focus A5 are designed for maximum comfort. The ergonomic design ensures a perfect fit to your head, even during prolonged use. The adjustable and foldable headband makes it easy to fit and store the headphones, and the ability to swivel the earcups by 90° makes them extremely practical. In addition, the earcups made of protein leather are pleasantly soft, which further enhances comfort.

## **Stable Bluetooth connection and gamer mode**

The headphones use Bluetooth 5.4, ensuring a stable and fast connection to your device. In addition, the Low Latency mode is ideal for gamers - it minimizes audio latency to 80 ms, ensuring perfect
