

WD Red SSD SA500 NAS 1TB 2.5inch SATA III 6 Gb/s internal single-packed POWERED BY SANDISK

Model: WDS100T1R0A-68A4W0

Manufacturer: SANDISK

EAN: 718037872384

Product Code: 20875

R6,714

The WD Red SA500 1 TB internal SSD combines high performance with reliability, making it a choice for NAS systems and other demanding applications. With a 600 MBps data transfer rate and 560 MBps internal data rate, it efficiently handles large files and applications. Equipped with 3D NAND technology and rated for endurance of 600 TB, this solid state drive is designed for 24x7 continuous operation, ensuring your data is accessible around the clock.

Operating between temperatures of 0°C to 70°C, and with a robust design that withstands shocks up to 1500 g, the WD Red SA500 ensures stability and durability in various environments. Its 4KB random read and write speeds of 95,000 and 85,000 IOPS respectively position it as a solution for users who require both speed and performance. With a compact 2.5-inch form factor, it fits into most
